## SOLUTIONS FOR BRAC IMPLEMENTATION

BRAC 2005, overseas rebasing, and Grow the Force initiatives have resulted in our nation's largest military infrastructure transformation since World War II. With tens of thousands of jobs being realigned among installations comes a massive need for human resources support personnel.

### WE ARE HERE TO HELP!

HR Solutions is ready to assist your installation with its time sensitive manpower needs. HR Solutions provides contract management expertise in the following:

- Technical and business planning;
- Organizational analysis and design;
- Strategic planning;
- Resource management;
- Strategic communications;
- Project management; and
- Knowledge management.

Program Executive Office Enterprise Information Systems (PEO EIS), HR Solutions is designed to streamline the acquisition of human resource services throughout the Defense Department. From assisting with the performance work statement to the post-award audit, HR Solutions expedites and simplifies the contracting process associated with procuring human resource services for Commanders. No matter what your human resource requirements are, HR Solutions offers total services to meet your agency's immediate needs.
